VENETO - ITALY

## Camporengo Garganega Veneto 2023

*Varieties:* Organic certified Garganega, 190m of elevation.

*Winemaking:* The whole clusters are placed in the press, with no de-stalking, and the free-run must is only 55%. After a fermentation at 17°C in stainless steel, the wine rests on the fine lees in 50hl steel tanks until the following spring, when it is bottled.

*Tasting notes:* Showing straw yellow, composed of floral essences of acacia and mimosa over a background of rich peach and apple, and concludes with nuances of pungent green pepper. The palate is notable for its full body, excellent progression, and overall harmony. Beautiful finish.

**SKU: 372879**

## Bardolino DOP 2023

*Varieties:* Organic Certified Corvina and Rondinella, 190m of elevation.

*Winemaking:* The two grape varieties, Corvina and Rondinella, are vinified separately. The maceration lasts some 7-8 days and coincides with the fermentation period. MLF in stainless steel.

*Tasting notes:* Purple-tinged ruby red of medium intensity. Its rich, complex bouquet is the result of a perfect blend of fruity essences such as sweet-sour cherry and blueberry, and spicy nuances of cinnamon and black pepper. The distinctive hallmark of this wine is without a doubt the elegance that one experiences on the palate. Remarkably soft tannins and a lovely balance between a judicious acidity and full, savory flavors, are characteristic of wines of this area. Nicely full bodies, it lingers long on the finish.

## Rodon Chiaretto di Bardolino 2023

*Varieties:* Organic Certified Corvina 80% and Rondinella 20%

*Winemaking:* The two grape varieties, Corvina and Rondinella, are vinified separately. They are given a cool-temperature, 6-8 hour maceration on the skins, which extracts just enough colour to give a lively, medium-bodied hue to the juice. The must then ferments at a cool 17°C. The finished wine matures on the fine lees in 50hl stainless steel tanks until the following spring, when it is bottled.

*Tasting notes:* Super-fresh, long, dry and redolent with dried herbs. The fruit is very much on the citrus spectrum – lemon and white grapefruit – but there is a light nip of dusty sour cherry. Buzzing with acidity. Restrained almost, but not quite, to the point of severity. But so, so mouth-watering and quenching.

### Pacharán Classic (700ml, 28% vol.)

Pacharán, a popular sloe-flavored liqueur in Navarre and the Basque Country, is created by infusing sloe fruits from the blackthorn shrub with aromatic spices and herbs. The focus is on extracting the most fruit flavor possible, achieved through a traditional maceration process lasting four months. This results in a cherry red hue with violet undertones, intense color, and brightness. The aroma is reminiscent of red fruits with a hint of anise. The taste is well-balanced, dense, sweet, and velvety.
