Meditaste Imports

Baglio Ingardia

NEW!

SICILY - ITALY

Grillo DOC Sicilia 2023

Varieties: Organic certified Grillo from Trapani.

Winemaking: Stainless steel fermentation, 6 months ageing.

Tasting notes: Expressive nose of flowers, and white peach, with citrus and hints of Mediterranean scrub. Fresh and vibrant.

SKU: 266955

Case size: 12 bottles/case

Closure: Cork

Listing type: Speculative

NEW!

Naturalmente Mosso 2023 Petillant Naturel

NEW!

Varieties: Organic Certified Grillo, Zibibbo, Sauvignon Blanc on limestone clay soils.

Winemaking: Fermentation in stainless steel kept on the lees for 6 months under light pressure and "sur lie" bottling for a natural perlage. Three months in the bottle before release.

Tasting notes: Elegant aromas of sage, flowers and aromatic herbs. Refined, natural perlage (light spritz with fine bubbles) that adds brightness and freshness

SKU: 266952

Case size: 12 bottles/case

Closure: Cork

Listing type: Speculative

Era Grecanico -Terre Siciliane IGP 2023

Varieties: 100% Organic Certified Grecanico Dorado.

Winemaking: Regardless of its Greek name, its DNA is identical to that of Garganega. The terroir footprint from the mediterranean climate and the volcanic soils give a very different expression. Wild fermented in stainless steel and bottle unfiltered and unfined.

Tasting notes: Bright acidity and moderate alcohol, citrus, white peach, green apple, and floral aromas. Saline, sometimes slightly almond or mineral finish. Subtle herbal and flinty notes emerge.

SKU: 266960

Case size: 12 bottles/case

Closure: Cork

NEW!

Baglio Ingardia

SICILY - ITALY

Nero D' Avola Sicily DOC 2022

Varieties: Organic certified Nero D' Avola from Western Sicily.

Winemaking: Hand harvested, macerated on the skins for 10 days, gentle pressed, and aged in oak partially for 4 months (20%).

Tasting notes: The aroma unfolds with an elegant bouquet of floral hints, ripe red berries, cherry, strawberry, cranberry, and gentle spice undertones reminiscent of licorice and soft leather. On the palate, the wine is dry, full-bodied, and softly textured, supported by round, delicately integrated tannins, persistent structure, and balanced acidity.

SKU: 266949

Case size: 12 bottles/case

Closure: Cork

Listing type: Speculative

Perricone Sicily DOC 2022

Varieties: Organic Certified Perricone on clay soils. 300m of elevation.

Winemaking: Soft pressing, controlled fermentation in stainless steel, and a 12-day maceration on the skins. Afterwards, the wine matures partially in barrique for six months, with the rest aged in stainless steel, then undergoes an additional four months of bottle aging to refine its character

Tasting notes: Deep ruby with purple hue. On the nose, we have fresh herbal notes followed by rich aromas of black cherry, wild berries, and a spicy touch of black pepper. On the palate, it is soft and developing, showing refined tannins and a smooth, elegant finish, balanced yet structured.

NEW!

Le Fraghe

VENETO - ITALY

Camporengo Garganega Veneto 2023

Varieties: Organic certified Garganega, 190m of elevation.

Winemaking: The whole clusters are placed in the press, with no de-stalking, and the free-run must is only 55%. After a fermentation at 17°C in stainless steel, the wine rests on the fine lees in 50hl steel tanks until the following spring, when it is bottled.

Tasting notes: Showing straw yellow, composed of floral essences of acacia and mimosa over a background of rich peach and apple, and concludes with nuances of pungent green pepper. The palate is notable for its full body, excellent progression, and overall harmony. Beautiful finish.

SKU: 372879

Case size: 12 bottles/case

Closure: Screw Cap

Listing type: Speculative

Bardolino DOP 2023

Varieties: Organic Certified Corvina and Rondinella, 190m of elevation.

Winemaking: The two grape varieties, Corvina and Rondinella, are vinified separately. The maceration lasts some 7-8 days and coincides with the fermentation period. MLF in stainless steel.

Tasting notes: Purple-tinged ruby red of medium intensity. Its rich, complex bouquet is the result of a perfect blend of fruity essences such as sweet-sour cherry and blueberry, and spicy nuances of cinnamon and black pepper. The distinctive hallmark of this wine is without a doubt the elegance that one experiences on the palate. Remarkably soft tannins and a lovely balance between a judicious acidity and full, savory flavors, are characteristic of wines of this area. Nicely full bodies, it lingers long on the finish.

SKU: 372876

Case size: 12 bottles/case

Closure: Screw Cap

Listing type: Speculative

Rodon Chiaretto di Bardolino 2023

Varieties: Organic Certified Corvina 80% and Rondinella 20%

Winemaking: The two grape varieties, Corvina and Rondinella, are vinified separately. They are given a cool-temperature, 6-8 hour maceration on the skins, which extracts just enough colour to give a lively, medium-bodied hue to the juice. The must then ferments at a cool 17°C. The finished wine matures on the fine lees in 50hl stainless steel tanks until the following spring, when it is bottled.

Tasting notes: Super-fresh, long, dry and redolent with dried herbs. The fruit is very much on the citrus spectrum – lemon and white grapefruit – but there is a light nip of dusty sour cherry. Buzzing with acidity. Restrained almost, but not quite, to the point of severity. But so, so mouth-watering and quenching.

SKU: 240113

Mauro Sebaste

BAROLO, PIEMONTE - ITALY

Barolo Prapo DOCG 2008

Varieties: Nebbiolo from **Prapo, a historical Cru of Serralunga d'Alba**

Winemaking: Hand-picked, hand selected, softly pressed 12 to 16 days macerated with pumping over, performed in stainless steel tanks with controlled temperature. After MLC the wine is aged in 400L French oak vats for 36 months. Cellaring for at least 6 months.

Tasting notes: Medium ruby. Spicy, soaring character as notes of fresh strawberry, cranberry, cinnamon, brown sugar, and Asian spices waft from the glass. The mouthfeel is perfectly balanced with slightly sweet, succulent fruit, beautiful bright and fresh acidity, and ripe tannin providing the punctuation mark.

SKU: 340012

Case size: 3 bottles/case

Listing type: Speculative

Closure: Natural Cork

Stock at the start of the month: DM US

Barolo Cru Cerretta DOCG 2019

96 points Rick Tomson, 90 points Kerin O'Keefe

Varieties: **Cerretta is an historical Cru of Barolo in Serralunga d'Alba.** 100% Nebbiolo on calcareous and rich in iron soils.

Winemaking: Hand-picked, hand selected, softly pressed 12 to 16 days macerated with pumping over, performed in stainless steel tanks with controlled temperature. After MLC the wine is aged in 400L French oak vats for 36 months. Cellaring for at least 6 months.

Tasting notes: Here the aromatics soar with mentholated lift as bright notes of raspberry compote, red stone fruits, cranberry and laser-focused minerality. The mouth texture is precise and linear, every dimension carefully delivered and perfectly balanced. The tannins are sweet, ripe, and velvety in texture, reflecting superb vineyard management.

SKU: 428842

Case size: 6 bottles/case

Listing type: Speculative

Tresuri Barolo DOCG 2020

93 points Decanter, 92 Kerin O'Keefe, 92 points Forbes

Varieties: 100% Nebbiolo on calcareous soil. (La Morra, Verduno, Serralunga d'Alba).

Winemaking: Hand-picked, hand selected, softly pressed, 12 to 16 days macerated with pumping over, performed in stainless steel tanks. After MLC the wine is aged in 1600L French oak vats and some in 400L barrels for 36 months. Cellaring for 6 months.

Tasting notes: Aromas of underbrush, eucalyptus, dried herb and dark brown exotic spice form the nose on the 2020 Mauro Sebaste Trésüri. Linear and elegantly structured, the palate offers crushed strawberry, coffee bean and white pepper alongside taut, close-grained tannis and fresh acidity.

SKU: 428836

Mauro Sebaste

BAROLO, PIEMONTE - ITALY

40th Anniversary Limited Edition Barolo DOCG 2019

17.5 pts Jancis Robinson, 93 pts O'Keefe, 97 pts Rick Tomson

Varieties: Nebbiolo grapes from Serralunga (65% Cerretta) and La Morra (35% Roncaglie). Only 3,500 bottles were produced to **celebrate Mauro's 40th vintage.**

Winemaking: Hand-picked, softly pressed 12 to 16 days macerated with pumping over, performed in stainless steel tanks. The wine is aged in 15Hl French oak vats for 30 months

Tasting notes: Just mid-ruby. Gorgeous, sweet raspberry and sour cherry on the nose with hints of fresh mint. Suave, fragrant raspberry fruit on the palate with hints of sweet oak framed by tasty, coating tannins. Compelling, long, and with a full spread on the finish. Fantastic balance.

SKU: 340009

Mauro Sebaste

BAROLO, PIEMONTE - ITALY

Sylla Langhe Freisa DOC 2019

Varieties: 100% Freisa on clay, calcareous and sandy soils. The vineyards are found in Alba, in the Santa Rosalia district.

Winemaking: Manually harvested, hand selected, softly pressed 3 to 4 days macerated with pumping over, performed in stainless steel tanks with controlled temperature. After 7 months they perform secondary fermentation in "Charmat" tanks, where it gets its slight fizziness.

Tasting notes Ruby red. Fine and delicate raspberry and roses. The palate is dry, and fresh, with delicate raspberry nuances.

SKU: 428833

Case size: 6 bottles/case

Closure: Natural Cork

Listing type: Speculative

Casa Berzia Diano d' Alba DOCG 2022

Varieties: 100% Dolcetto from Diano d' Alba on slopes of 500m elevation. The soil type is calcareous clay.

Winemaking: Slightly overripe grapes, hand-picked, hand selected, softly pressed 6 to 8 days macerated with pumping over, performed in stainless steel tanks with controlled temperature. MLC is performed and the wine matures from 6 to 8 months.

Tasting notes: Deep ruby red, with a pronounced nose of fruits and a dry, almondy, and harmonious palate.

SKU: 428830

Case size: 6 bottles/case

Closure: Natural Cork

Listing type: Speculative

CRETE - GREECE

Vidiano Queens White 2024

Varieties: The Cretan queen white variety. Vidiano from Centre Crete, non irrigated vineyards, on 550m of elevation.

Winemaking: Free-run juice. Fermented in stainless steel with 8-24 hours skin contact.

Tasting notes: Pale mid lemon colour. Attractive aromas of passionfruit, mango, pineapple, white peach, nectarine and apricot with hints of florals and citrus notes. The palate is juicy with good acidity, high fruit intensity and slightly mineral aftertaste.

SKU: 460326

Case size: 12 bottles/case

Closure: Natural Cork

Listing type: Speculative

Muscat of Spinas White 2024

Varieties: A new addition for the Lyrarakis Portfolio this aromatic queen grows on clay-loam soils, without irrigation at 500m of elevation.

Winemaking: Hand-harvested. They had three harvests defined by berry sensory assessment to obtain the optimum taste and aromatic balance. 13% of the grapes remained on the skins for 27 hours at 14°C. The free run juice was fermented in inox tanks.

Tasting notes: Pale lemon colour. Sweet fruity and floral character on the nose including Turkish delight, green apple and pear, fleshy mandarin and citrus fruit with hints of dried herbs. Long and full-bodied with vibrant acidity, beautiful balance and an intense aromatic mouthfeel.

SKU: 772512

Case size: 12 bottles/case

Closure: Screw cap

Listing type: Speculative

Dafni Psarades White 2024

Great Greek Wines Hall of Fame, 17 points Jancis Robinson

Varieties: The Cretan variety Dafní was saved from extinction by the Lyrarakis family, when it was planted in the "Psarades" single vineyard in the early '90s. Its name derives from the laurel (bay leaf) plant, "Dáfnī" in Greek, due to its aromatic resemblance. A wine with a distinctive herbal character, refreshing mouthfeel and intense aftertaste. Clay loam soils, on 480m without irrigation.

Winemaking: Hand harvested. The grapes were destemmed and crushed and remained with skins for 3.5 hours. The free-run juice had spontaneous fermentation in inox tank. The wine matured on lees for a period of 3 months, gaining depth of flavour.

Tasting notes: Wonderfully aromatic with the pure laurel aroma. But even with that intense aroma there is still a light stony citrus quality to add complexity. Light-bodied yet persistent.

SKU: 280862

Case size: 6 bottles/case

Closure: Cork

Listing type: Speculative

Lyrarakis

NEW!

CRETE - GREECE

Liatiko Queens Red 2023

Varieties: Liatiko on high-elevation vineyards with limestone-rich soils.

Winemaking: Hand-harvested and fermented in stainless-steel tanks. The wine remained in inox tanks where it completed the malolactic fermentation and had a natural stabilization (no finning, no cold treatment).

Tasting notes: Pale ruby. Impressive aromas of wild berries and red fruit, with herbal and saline characters and Christmas cake flavours. Looks much older than it is. Gentle, fully evolved nose but with real punch underneath. Lots of fun and light earthiness – in a good way. So much pure fruit.

SKU: 460340

Case size: 12 bottles/case

Closure: Cork

Listing type: Speculative

NEW!

NEW!

Mandilari Plakoura Red 2020

Varieties: Mandilaria Single Vineyard Plakoura. 500m of elevation, sandy loam soils.

Winemaking: The fruit was handpicked and was destemmed and crushed into inox fermenter Ganimides that uses CO2 (naturally produced or added) for pigeages. The wine aged for almost 2,5 years in re-used French (61%) and American (39%) oak barrels of 225lt and 300lt.

Tasting notes: Deep, glowing cherry red. Rich, intense aroma of ripe/tart red cherries, spice and a leathery sweetness with some dried-cherry notes – rather like cherry-liqueur chocolates. Aromas of black fruit, cedar-chocolate, nutty oak and vanilla butter biscuits balanced by earthy notes and hints of dried herbs. Rich and well-structured palate with fine grained tannins, vibrant acidity and long savoury aftertaste. 10+ ageing potential

SKU: 460335

Case size: 6 bottles/case

Closure: Cork

Listing type: Speculative

Liatiko Aggelis Red 2022

Great Greek Wines Hall of Fame, 17 points Jancis Robinson

Varieties: A centenarian plot of Liatiko, ungrafted, 580m elevation.

Winemaking: Harvesting was performed in two passes over 15 days. Fermentation by indigenous yeasts, uncrushed. 1/3 of the bunches were fermented whole in old oak foudre and barrels. Maturation in oak and inox (65% matured for 6 months in old foudre and oak barrels). The wine is made with no temperature control for fermentation, no fining, no cold treatments and unfiltered.

Tasting notes: Light brick red. Intensely aromatic, with sour-red fruits and yet there is a sour-fresh sweetness, too. Medium-bodied, drily tannic and still a bit challenging unless you drink it with food. Opens up to some notes of dried red fruits and on the way to a more floral evolution. An aromatic beauty yet still structurally demanding. A Cretan classic.

SKU: 280857

Case size: 6 bottles/case

Closure: Cork

Listing type: Speculative

NEW!

NAXOS - SANTORINI - GREECE

Assyrtiko Santorini PDO 2022

Varieties: Grapes are sourced from a single vineyard, at Megalochori village. Sea-facing plot, next to caldera rim. 100% Assyrtiko, very low-yielding ungrafted basket-shaped vines, over 150 years old. Volcanic sand, pumice and volcanic rocks with high proportion of minerals are the compounds of this unique land.

Winemaking: Classic white vinification in stainless steel tank. 'Sur-lie'aging for 11 months with regular lees stirring in order to develop the mouthfeel and the aromatic potential. Almost a year of cellaring before release.

Tasting notes: Chamomile, green tea and bergamot are supported by notes of basil, citrus zest and spicy characteristic as white pepper. Steely mouthfeel with sharp acidity and oiliness. White-fleshed nectarine, with herbal and spicy notes as tea and ginger contribute to a complex mouthfeel. Mouth-watering, crystal character with mineral long finish, full of tension and salinity.

SKU: 266800

Case size: 6 bottles/case

Closure: Natural Cork

Listing type: Speculative

Aegean Islands White Blend 2022

Varieties: 600-650m on the foothills of Mountains Za and Fanari in central Naxos. Field blend of Potamisi, Aidani and unknown Karabrim. Ungrafted bush vines, more than 150 years old, Loamy soil with a high proportion of gravels of marble and granite.

Winemaking: Whole bunch pressing, stainless steel fermentation. Sur lie aging for minimum 10 months.

Tasting notes: Pale straw color with greenish hues. Notes of sage and wild garrigue, lime, citrus and spicy characteristic such as ginger with hints of minerality. Steely mouthfeel with bright acidity and herbal flavors. Linear perception and crystal character with chalky long finish and tension.

SKU: 266803

Case size: 6 bottles/case

Closure: Screw Cap

Listing type: Speculative

Aegean Islands Rose 2022

Varieties: Fokiano and Bastardiko. 200m elevation single vineyard. Ungrafted bush vines, 50 years old low-yielding, upon centenarian terraces. Sandy soil with a high proportion of limestone and trashes of **marble**, with north facing exposure and maritime influence.

Winemaking: Early harvest. A rosé of direct pressing. Vinification 70 % in inox tank and 30% of the blend in Caucasian acacia barrel adding complexity. Sur-lie ageing for 11 months with frequent lees stirring.

Tasting notes: Pale copper color with yellowish hues. Dried apricot, quince paste together with gooseberries notes. Spicy and minty notes. Round mouthfeel with chewy texture, herbal flavors and evening primrose aromas. Zesty acidity and long complex finish.

NAOUSSA - GREECE

Xinomavro Naoussa PDO 2019

17 points Jancis Robinson

Varieties: 100% Xinomavro. Organic farming of 40-year-old vineyards. Clay limestone soils with flintstone. 250m elevation.

Winemaking: Manual harvest, wild fermentation. 12 months aging in used barrels. **Low Intervention.**

Tasting notes: Mid-ruby with soft rim. Classic Xinomavro nose such as sun-dried tomato, olive, cherry, strawberry, plum to lavender and sweet spices. A wine that is starting to show its tertiary character. Sweet red and dried fruits, a touch of leather. Seductive in its sweet-sour, wild intensity. Benchmark structure, too – the tannins are still dry and firm but all in balance. Deliciously dry, long aftertaste. An elegant style with long aging potential.

Château Sainte Marie

ENTRE DEUX MERS - FRANCE

Petit Marie White 2024

Varieties: Sauvignon Blanc 80%, Semillon 20%. Organic Certified.

Winemaking: After harvesting, they perform a density-based sorting. Then, a gentle pneumatic pressing is carried out to fully preserve the aromatic potential of the fruit. Alcoholic fermentation takes place in stainless steel tanks at low temperatures, between 15°C and 18°C, thus preserving the freshness and aromas of the wine.

Tasting notes: This wine exhibits a bright and pale color, with hints of yellow fruits and white flowers, such as white peach and acacia. It strikes a harmonious balance between roundness and acidity. A delightful wine to share around the table.

Licores Baines

NAVARRA, SPAIN

Pacharán Classic (700ml, 28% vol.)

Pacharán, a popular sloe-flavored liqueur in Navarre and the Basque Country, is created by infusing sloe fruits from the blackthorn shrub with aromatic spices and herbs. The focus is on extracting the most fruit flavor possible, achieved through a traditional maceration process lasting four months. This results in a cherry red hue with violet undertones, intense color, and brightness. The aroma is reminiscent of red fruits with a hint of anise. The taste is well-balanced, dense, sweet, and velvety.

Sadar Orujo White (700ml, 45% vol.)

Orujo is a type of pomace brandy from northern Spain, derived through distilling the leftover grape marc. This transparent spirit boasts a high alcohol content and gets its name from "aguardiente de orujo" (pomace spirit).

Produced by fermenting and distilling grape peels from Galicia, it offers a clean distillation and a rich flavor.

Licores Baines

NAVARRA, SPAIN

Sadar Orujo Crema (700ml, 17% vol.)

Sadar Cream Liqueur offers a delightful blend of cream and orujo, presenting a smooth and sweet variation of orujo. This creamy liqueur combines the richness of orujo with a sweet dairy base, resulting in a light toffee-colored drink with remarkable density and creaminess. Notes of vanilla and sweetness contribute to its balanced flavor profile.
